### HOW DO THE GANGS OF "FLETROS" OPERATE?

MARKING

TRACKING

EXECUTORS

### OBSERVE AND PREVENT

Being forewarned of suspicious situations is very important.

Some actions that could be cause for alert, are:

- That there is a person using a cellphone inside the bank
- Identify if there is a frequent entry and exit of one or more individuals.
- Gestures or actions that may indicate a language between one person and another.

**IF THIS TYPE OF ACTION OCCURS, IT IS VITAL TO INFORM THE BANK'S SECURITY OFFICERS OR THE POLICE DIRECTLY IN ORDER TO ALERT AND PREVENT A CRIMINAL ACT FROM OCCURRING.**

### RECOMMENDATIONS

- Don't comment on future transactions
- Do not display money while waiting for your shift or when leaving the office
- When withdrawing large amounts of money, it's best to request the company of a police officer
- Avoid using public transportation
- Store cash correctly
- Avoid routine in travels
- Keep an eye on what is going on around you
