PRIVATE SECURITY ANALYSIS

PROTECT YOUR BONUS PAYMENT

Concerned about the increase in criminal activity during the month of December and considering the occurrence of thefts in various forms, 3+SC has created the following infographic as a prevention and mitigation tool.

MODALITIES

"Fleteo"

Criminals profile, follow, and assault victims who leave the bank with large sums of money.

Millionaire call

Criminals manipulate the victims to make them feel fear and take away their money.

Car accident modality

Criminals cause an accident to make the victim go out from the car and assault him.

Impersonation

Criminals use means to make it appear that they are the real users.

Armed robbery

Criminals are direct and take advantage of negligence using force

"Paquete chileno"

Criminals deceive the user into handing over their money without the use of force inside banks.

HIGHER OCCURRENCE

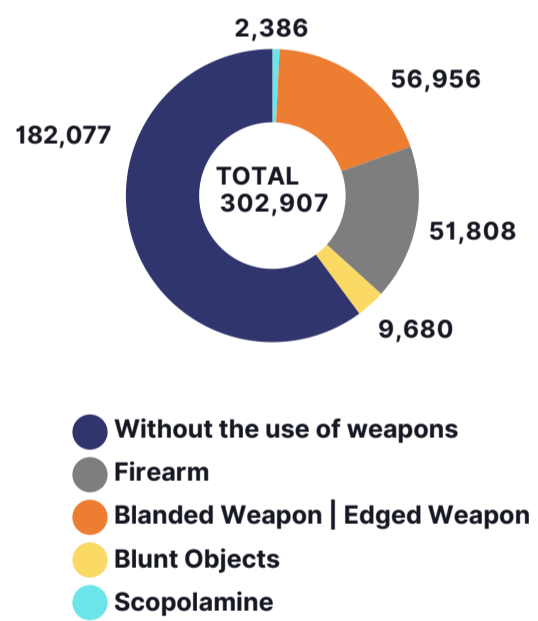

FRIDAY

6:00 AM
12:00 PM

¿HOW WAS THE THEFT?

RECOMMENDATIONS

- ✓ Maintain a low profile, criminals target their victims.
- ✓ Stay alert to your surroundings, identify people who may be following you or seem suspicious.
- ✓ Avoid conducting transactions at ATMs located in public places.
- ✓ Check the ATM facilities, observe the slots, and look for elements that may prevent the bills from coming out.
- ✓ Refrain from using your phone in vulnerable locations.
- ✓ Be cautious and do not accept help from strangers when conducting transactions.
- ✓ Try to take taxis from shopping centers or certified platforms rather than hailing them on the street.
- ✓ If you fall victim to this crime, avoid resisting.

REMEMBER:
Negligence and trust are the main factors that criminals take advantage of
